

ARYAN YADAV

Full Stack Developer

+91-9711804965 | _ay132441@gmail.com | [LinkedIn](#) | [GitHub](#) | [Portfolio](#) | Gurugram, Haryana, India

PROFESSIONAL SUMMARY

Full-Stack Web Developer with internship experience across product and enterprise environments, specialising in scalable web applications and AI-powered SaaS products. Skilled in React.js, Node.js, Express.js, PostgreSQL, and MongoDB, with hands-on cloud deployment experience on Vercel and Render. Proven ability to build and ship production-ready applications end-to-end, from UI to backend to deployment.

EDUCATION

Bachelor of Technology — Computer Science and Engineering

Nov 2022 – May 2026

Dr. Shakuntala Misra National Rehabilitation University, Lucknow, Uttar Pradesh | CGPA: 8.02

INTERNSHIP EXPERIENCE

THE ENTREPRENEURSHIP (TEN) Pvt. Ltd. — MERN Full Stack Developer Intern

June 2026 – Sept 2026

- Developed and maintained full-stack features for a live product using MongoDB, Express.js, React.js, and Node.js (MERN), collaborating with the founding team in an agile, fast-paced startup environment.
- Built RESTful APIs and integrated them with responsive React front-ends, improving data flow between client and server.
- Implemented authentication, role-based access, and CRUD workflows, and optimised MongoDB schemas for performance.

Bytematrix.in — Software Engineer Intern (Remote)

June 2025 – Aug 2025

- Built and delivered 4+ responsive, cross-browser websites using HTML5, CSS3, JavaScript ES6+, and Bootstrap, improving page load performance and mobile usability by 30%.
- Collaborated directly with clients to translate requirements into pixel-perfect, accessible UI/UX experiences, integrating third-party APIs to cut manual content-update effort by over 50%.

PROJECTS

AI BuildWebApp — AI-Powered Website Generator ([Live Demo](#))

- Built a full-stack AI SaaS platform where users describe a website in plain English and Groq LLaMA 3.3 70B generates a complete, responsive HTML/CSS/JS website in under 10 seconds.
- Implemented a credit-based monetisation model with Stripe Checkout and a Referral & Earn system offering bonus credits to both referrer and new user.
- Built live iframe preview, code view toggle, one-click HTML download, and a regenerate button for fresh designs from the same prompt.
- Tech Stack:** React.js, Vite, Node.js, Express.js, PostgreSQL (Neon), Groq API, Clerk, Stripe, Vercel, Render.

ShowTime — Movie Ticket Booking Platform [https://\(Live Demo\)](#)

- Built a full-stack cinema booking platform with real-time seat selection, secure online payments, and dynamic movie data via TMDB API.
- Implemented end-to-end authentication using Clerk with support for multiple sign-in providers.
- Designed scalable event-driven backend workflows using Inngest for booking confirmations, seat-locking logic, and async notifications, with seat-level conflict resolution and personalised dashboards.
- Tech Stack:** React.js, Node.js, MongoDB, Clerk, Inngest, Stripe, Vercel, Brevo, Nodemailer.

TECHNICAL SKILLS

Languages: JavaScript (ES6+), Java (Core), C, SQL

Frontend: React.js, Next.js, Tailwind CSS, HTML5, CSS3, Bootstrap

Backend: Node.js, Express.js, REST APIs, JWT, Webhooks

Databases: MongoDB (Mongoose), PostgreSQL (Neon), MySQL

Cloud & DevOps: AWS (EC2, S3), Docker (Basic), GitHub Actions CI/CD, Vercel, Render, Cloudflare

CERTIFICATIONS & ACHIEVEMENTS

- JPMorgan Chase** — Software Engineering Job Simulation (Forage), June 2026
- Centum Foundation** — Employability Enhancement Programme, supported by Infosys Foundation, Dec 2025
- Web Development Workshop** — Hands-on training in modern frontend and backend technologies, Sept 2024
- Apna College** — Full Stack Web Development Course, June 2024

POSITION OF RESPONSIBILITY

- Treasurer, Computer Engineering Society, DSMNRU Lucknow (Jul 2023 – Jan 2026)** — Led a team of developers to design and deploy a full-stack web application with user roles and video streaming; developed the official CES website.
- Campus Ambassador Intern (Oct–Nov 2024)** — Represented and promoted tech initiatives at university level.
